Product Disclosure Statement (PDS)

Before you can invest in one of our financial products we are required to provide you with a PDS. The PDS contains important information regarding the features, benefits, risks and fees applicable to an investment in that financial product, and should be read carefully to enable you to make an informed decision about whether to invest in the financial product.

Statement of Advice (SOA)

A SOA will normally be given when you are provided with any personal advice which takes into account your objectives, financial situation and needs. We do not provide personal advice. Therefore, we will not provide you with an SOA, but an intermediary (such as a financial planner, stockbroker or dealer group) may provide you with an SOA.

Record-keeping

We will seek to ensure that comprehensive and accurate records of all transactions and investments undertaken, and documentation executed, are properly maintained.

Remuneration or other benefits received by us

If you invest in a financial product we provide, we will receive remuneration in relation to your investment in the financial product. This remuneration may include management costs (which include transaction, ongoing and, if applicable, any borrowing costs). Withdrawal fees and transaction fees may apply. We may also be entitled to recover expenses incurred on behalf of the financial product or service. The remuneration and expense recoveries we will receive will be set out in the financial product's PDS.

We do not receive any fees, nor do we charge you additional fees, for providing financial product advice.

Financial advisers and intermediaries may also receive fees and typically, this will be disclosed in their SOA. Some advisers may receive remuneration from one or more entities in Magellan Financial Group for distributing or marketing financial products.

Remuneration or other benefits received by Magellan Financial Group

Our employees who give you advice do not receive specific payments or commissions for the giving of that advice. These employees and our directors and company secretary receive salaries, bonuses and other benefits from us. Bonus payments and other benefits are discretionary, and based on achievement of predetermined objectives.

You may receive advice in relation to the products we offer from financial advisers that do not work for us. These advisers may receive remuneration from us. The adviser's remuneration is included in the fees you pay when investing in our products. The amount of this remuneration is set out in the PDS for the financial product. Your adviser is also required to set out the remuneration and commissions they receive in the FSG and SOA which they must give to you.

Various members of Magellan Financial Group and their directors, company secretaries and employees have agreed to provide certain financial, information technology, human resource and other services to us to enable us to provide the services described in this FSG. They will not be separately remunerated by you. The costs of providing these services will be paid by us from the fees we receive and investors in our products will not pay a separate fee for these services.

Remuneration or benefits paid to other parties

Where you have been referred to us by someone else, or a third party, we may pay them a fee or rebate in relation to that referral. If so, separate disclosure will be made to you.

Compensation Arrangements

We have professional indemnity insurance cover in place in respect of financial services provided to our clients. This insurance covers claims in relation to the conduct of our past and present representatives. These arrangements comply with the requirements of section 912B of the Corporations Act 2001.

Disclosure of Relevant Conflicts of Interest

We do not have any relationships or associations which might influence us in providing you with our financial products and services.
